Yoga headstand bench

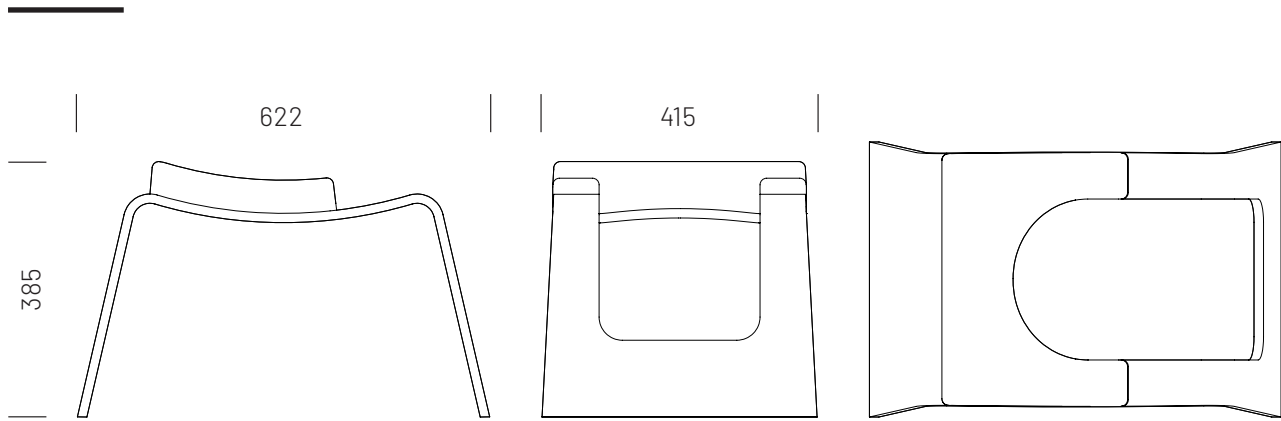

PLYDESIGN

The ancient science of yoga considers the headstand the king of all asanas, as it brings many benefits to our spiritual and physical bodies. The VESSEL yoga bench helps the asana be safely implemented and relieves tension in our cervical spine. Due to its design, VESSEL provides stable support, and the cushioned upper part serves as an essential comfort factor. These distinctive values reveal the versatile nature of plywood, which can bring ergonomics and design together in one product.

Dimensions:

622 × 415 × 385 mm (L × W × H)

Weight: 4 kg

The mark of
responsible forestry
