Kitchen roll holder and tablet stand

The PILOT kitchen roll holder and tablet stand in our arm's reach prevent the chaos in the kitchen when we juggle between activities and remain an eye-soothing and elegant design object on the kitchen worktop. A kitchen roll is indispensable in every home – the PILOT holder provides a solution to keeping the kitchen worktop tidy while we follow the steps of a new recipe that appears on the tablet's screen. Depending on your preferences, we offer a wide range of colours embracing the warmth of the American walnut, European oak or the playful tones of claret, blue, green and peach. The metal parts are available in black and white.
